*Our purpose is to raise funds for educational and environmental projects, and provide volunteers to help maintain and enhance the programs of Edisto Beach State Park and the Edisto ACE Basin NERR Environmental Learning Center.*

*Environmental Learning Center    Trail Work  
Educational Projects                    Maritime Forest  
Shorebird Nest Areas                  Edisto Beach Park  
Loggerhead Sea Turtle                Membership 501c3*

# F R E S P A C E

Dear Friends and Neighbors,

Let us introduce ourselves. We're FRESpace, that is **F**riends of **E**disto Beach **S**tate **P**ark and The Edisto **A**CE Basin **N**ERR (National Estuarine Research Reserve) (EIC) Environmental Learning Center, a South Carolina corporation with tax exempt 501(c)(3) status. Our purpose is to solicit volunteers and raise funds which benefit local educational and recreational projects benefiting the public by enhancing the park programs, ELC, Ranger Station and park grounds.

Edisto Beach State Park is one of the most popular parks in the entire state. It offers miles of trails, a beautiful mile and a half beach, a large pristine maritime forest, open marshland and a boat ramp, as well as camping, cabins and a day-use picnic area. There are many opportunities to volunteer to help and assist the staff.

South Carolina State Park Service and the SC Department of Natural Resources through the Environmental Learning Center provide an opportunity to learn about the ACE Basin. It has permanent exhibits as well as a classroom. Though sponsored by state and federal agencies, our support is needed to make this center flourish and become a world class facility for environmental awareness and education.

We are asking you to become a FRESpace member and help provide this needed support. Members will receive periodic newsletters, advanced information on special activities and volunteer project announcements.

**Please join us**

**Return the attached application with your check and become a member of FRESpace.**
