

Hatchling Season has Arrived!

Nest Inventory Program

Who: Watch as our park staff and volunteers complete a sea turtle nest inventory! Everybody is welcome and it is **free** to attend.

What: Our staff and volunteers will be counting hatched eggs, and unhatched eggs to determine the nest success

Where: Meet us at the office building on the beach and we will guide you to the nest

When: Wednesday and Friday evenings starting at 6:30pm

Possibly see
live
hatchlings!

Learn fun
facts about
sea turtles!

Call the Environmental Learning Center (843-869-4430) for more information and to confirm that the program is being held

Eggs, hatchlings, adults and carcasses are protected by federal and state laws. We are permitted to conduct these activities through state and federal agencies.
